

“Laying the Foundations for Restoring the Occlusion and the Smile”

with

Dr Peter Huntley

**Venue: Dragon Phoenix, Hertford Place, Coventry,
CV1 3JZ (*directions overleaf*)**

**7pm Registration, drinks and order food
7.30pm prompt for Presentation**

This meeting qualifies for 2 hours CPD

Dr Peter Huntley set up his specialist practice in Solihull upon qualifying as an Orthodontist in 1989. Since then his passion for his work has become focused upon the treatment of adults of all ages, with an emphasis on interdisciplinary care. He has been involved in formal teaching for six years as a part-time lecturer at the Eastman and Royal London Hospitals, and subsequently as a guest lecturer to the Universities of Birmingham, Manchester, Bristol and Warwick. Peter lectures widely on adult orthodontics and its part in whole patient care, both nationally and internationally, whilst continuing his clinical work as the principal of Orthodontic Excellence.

Aims and Objectives:

- To illustrate how orthodontics can facilitate the management of restorative functional and aesthetic problems
- To discuss the wider benefits of orthodontic treatment upon bone and soft tissues
- To use a wide variety of cases to demonstrate how, through good communication, combined care can benefit patients in general practice

Cost (Including Chinese/ Indian/ Italian buffet following the talk):

£20 for members and DCPs

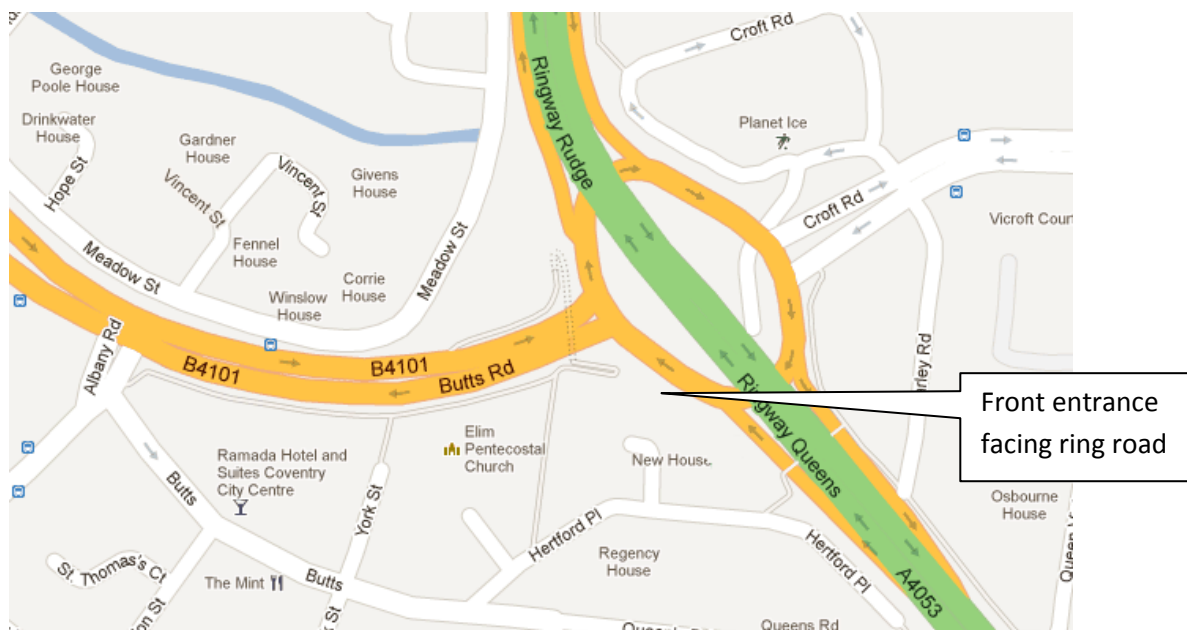

£30 for non-members

WARWICKSHIRE & COVENTRY BRANCH
